***A DIFFERENT PACE DEBUTS IN FEBRUARY FROM APE ENTERTAINMENT!***

San Diego, CA, 11-24-04 — Ape Entertainment is celebrating its first year of existence in style this February with the release of their sixth book, *A DIFFERENT PACE*, a new science fiction/adventure graphic novel by David Hedgecock and Tetsu Liew.

*A DIFFERENT PACE* follows the exploits of the lovely Lily and her faithful crew of rag-tag space pirates as they scour the galaxy in search of ancient treasure and grand adventure. Join Lily, Buford, Michael, and Smoking Frog as they foil nefarious political plots, plunge to the depths of Atlantis-7, and get into a bar brawl with an alien horned toad! *A DIFFERENT PACE* is a 96-page graphic novel written by David Hedgecock with interior art by Tetsu Liew & Vincent Ramirez and a cover by Leanne Buckley.

"It was important to me that the four stories in this book all be self-contained," states Hedgecock. "Tetsu and I have plans for many more stories well under way but I wanted this first book to be a satisfying introduction to Lily's world without forcing the reader to buy more books down the road."

"If you're looking for a hook, fans of *Star Wars* and *Tomb Raider* are going to love this book," says Brent Erwin, co-founder of Ape Entertainment. "It's got the feel of a high-powered video game with the intelligence of some of today's best sci-fi."

The *A DIFFERENT PACE* graphic novel is part of an ongoing push by Ape Entertainment to bring high quality graphic novels with an attractive shelf life into comic specialty shoppes. The book is available for order in the December issue of Diamond's *PREVIEWS* catalog.

Founded in 2003, Ape Entertainment is the brainchild of comic's devotees David Hedgecock, Brent Erwin, and Mike Hall. Ape Entertainment is devoted to the production of high-quality original graphic novels, comic books, role-playing games, and illustrated fiction.
