WHITE PICKET FENCES debuts in May from APE ENTERTAINMENT!

March 14, 2007 (San Diego, CA) – Ape Entertainment is pleased to announce the debut of the retro science-fiction series **WHITE PICKET FENCES** in May 2007.

Created by up-and-coming writers Matt Anderson & Eric Hutchins, and illustrator Micah (*Night Trippers, The Living and the Dead, Fear Agent*) Farritor, **WHITE PICKET FENCES** tells the story of Charlie Hobson, a young boy who stands as Earth's only hope for survival in the midst of a rapidly escalating conflict between the American military and creatures from Mars.

Equal parts *Leave it to Beaver* and *The Day the Earth Stood Still*, **WHITE PICKET FENCES** is a fun and exciting read that is perfect for all ages. "It is extremely important to Micah, Eric, and myself that we create a comic that is truly *all ages*," says co-writer Matt Anderson. "We want to make sure that **WHITE PICKET FENCES** is not just for kids, and not just for adults, but something *anyone* can pick up and enjoy."

"We've never had as much positive buzz about an upcoming project as we've had on this book. I think **WHITE PICKET FENCES** will be a true 'break out' series for Ape Entertainment as well as the creative crew." enthused co-publisher David Hedgecock.

The first issue of **WHITE PICKET FENCES** is available for preorder in the March issue of previews (Item #**MAR073140**, on page 229). Each issue will be 32 pages, and in full color.
